

A photograph of a forest path. The path is made of dirt and leaves, winding through a dense forest. There are many birch trees with their characteristic white bark and dark lenticels. Some evergreen trees, possibly spruce or fir, are also visible. The ground is covered with green moss and small plants. The lighting is soft, suggesting an overcast day.

Fotturer

A diagram illustrating a flow or relationship. On the left, a light blue oval contains the text 'Fotturer'. A yellow arrow points from this oval to the right, with the word 'Likt' written above it. The arrow points to a yellow oval on the right, which contains the text '796.51 Fotturer'. The background is a blurred image of a stone path in a forest.
